

# ACCOLADES FOR DOI CHAANG WILD THAI CIVET COFFEE

Doi Chaang Wild Thai Civet coffee was recently reviewed by Kenneth Davids, a renowned and widely-published coffee connoisseur, who conducts blind, expert cupping's of coffees and reports the findings in the form of 100-point reviews, much like those that exist in the wine industry. ## SINGLE ORIGIN WILD THAI CIVET COFFEE

*"Intriguing mid-tones throughout the profile: mainly a sort of orangey, floral citrus with a back grounded complex simultaneously suggesting fresh earth, mushroom and decomposing leaves. All of this takes on a vaguely chocolaty tone in the finish. Gently smooth acidity, medium body."*
